

BEN MAGUIRE

The best local choice to fight for a fairer deal for North Cornwall.

BEN MAGUIRE

Liberal Democrat Parliamentary candidate for

North Cornwall

North Cornwall Liberal Democrats have announced their candidate to take on the Conservatives at the next general election.

Ben Maguire grew up in Withiel near Wadebridge, and attended school in Bodmin, where his mother was a teacher and his father a local GP for many years.

Ben is an employment solicitor who has spent his career standing up for people and that is exactly what he will do as North Cornwall's MP. He is passionate about delivering high quality local services and has

worked in Westminster, the US Senate and Hong Kong Council, before returning to Cornwall.

Ben said: "I am determined to be North Cornwall's loud voice in Westminster instead of a Tory cheerleader who refuses to speak up for us in Parliament."

"After 14 years of failure and neglect by the Tories we need a fresh start. The Liberal Democrats are the only party that can win here in North Cornwall and deliver the fresh ideas our area urgently needs."

CORNWALL'S NHS IN CRISIS

WHAT THE PAPERS ARE SAYING...

'Royal Cornwall Hospital and Derriford Hospital patients at risk as pressure hits breaking point'

Cornwall Live, 11 Oct 2023

'Desperate patients use pliers to remove their teeth'

The Telegraph, 13 July 2023

Ben Maguire and the North Cornwall Lib Dems are leading calls for urgent funds to be given to Cornwall's NHS dental services, reduce record waiting lists and train more paramedics.

Ben Maguire said, "North Cornwall has been totally forgotten by the Tories who have run out of ideas after 14 years in charge. I am deeply concerned our precious NHS will not survive

another 5 years of this out of touch government. Ambulance wait times are at dangerous levels with some residents waiting 18 hours or more while dentists have disappeared"

THE CHOICE IN NORTH CORNWALL THIS TIME:

More failure with the Conservatives

OR

A fair deal with Lib Dem Ben

✗ Failed to bring down NHS waiting lists – hospital wait times in Cornwall have rocketed to record levels.

✗ Failed to grow the economy – Failed to grow the economy – Rishi's recession and Truss' mini-budget have left Cornish residents paying higher rents and mortgages.

✗ Failed to tackle the housing crisis – The Tories have subsidised second homes with tax breaks worth almost double the funding given to affordable homes and failed to reach any of their house building targets.

✓ Cornwall's NHS – Overhaul the NHS dentist contract and finally, reform adult social care to bring down hospital waiting times.

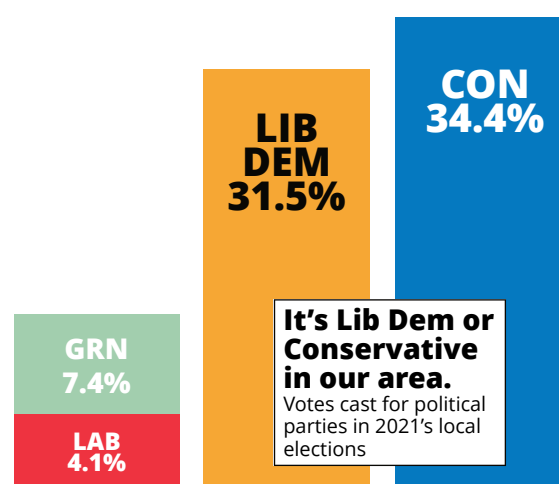

✓ Tackle Cost of Living – Press for real action including a proper windfall tax on energy companies, a much fairer income tax regime that doesn't hit low and middle earners and a VAT cut.

✓ Sewage – Rein in South West Water's massive shareholder dividends. Force them to clean up our polluted rivers and seas.

LABOUR GIVE UP IN NORTH CORNWALL

North Cornwall on official list of places Labour say they can't win.

The General Election here will be a clear choice between Lib Dems and Conservatives.

The Labour Party has given up on North Cornwall at the next election.

The Party named our area on its official list of "non-battleground seats" - places where it stands no chance of winning.

The list confirms what local residents already know - only the Liberal Democrats can beat the

Conservatives here at the next election.

The Lib Dems finished a close second here last time, while Labour was a distant third.

Local residents who want to end years of Conservative failure are backing the Lib Dems to win this time.
